1. SCOPE / PURPOSE

- 1.1. This policy details Adra (Tai) Cyfyngedig's policy for the management and allocation of all its intermediate rental homes.
- 1.2. Adra aims to provide good quality, affordable homes at Intermediate Rent to meet the particular needs of applicants for affordable accommodation registered on the relevant Affordable Homes Register.
- 1.3. Intermediate Rental schemes aim to assist people who can afford more than social housing rents but who cannot afford to access affordable home ownership options.
- 1.4. According to the Welsh Government guidance on Intermediate Rent, rent and service charges should be separately identified for Intermediate Rental properties.
- 1.5. Intermediate Rental schemes provides contract-holders with the opportunity to save for a deposit for purchasing their own home in the future.
- 1.6. This policy will apply to an identified proportion of new build/refurbished properties, developed or purchased by Adra as part of its development programme. It will also include any re-let of Intermediate Rental properties.
- 1.7. This policy applies to all applicants for affordable properties registered on the Affordable Home Register.

2. POLICY DETAIL

2.1. Adra is committed to providing affordable homes for people in housing need and will offer a Standard Contract for these properties in accordance with this policy.

2.2. When allocating its Intermediate Rental properties, Adra will ensure that the allocations are made to eligible persons.

2.3. Affordable Homes Register

2.3.1. In North Wales, Grŵp Cynefin's Affordable Homes Team, Tai Teg is responsible for the registration and assessment process on behalf of Adra as part of the Tai Teg Affordable Homes Register partnership.

2.4. Application / Allocation Process

2.4.1. Applications and shortlists for Adra Intermediate Rental properties will be administered through the Tai Teg's Affordable Homes Register.

2.4.2. Applicants will be advised that an Intermediate Rental Policy applies when relevant and that Adra will allocate its Intermediate Rental properties to nominated applicants meeting the following **eligibility criteria**:

- a) Applicants who are in need of affordable housing and registered on the Tai Teg Affordable Housing Register
- b) and :

2.4.2.1. **Age** - you must be over 18 years of age

2.4.2.2. **Income** – household income must be between £16,000 - £45,000 (applicants will need to check against the minimum income required for size of property which is stated on the Tai Teg website).

Income includes the following:

- Income from Employment/Self Employment

-
- Child Benefit
 - Disability Living Allowance
 - Personal Independence Payment
 - Tax Credits, such as Working Tax Credits

2.4.2.3. **Affordability** - Households must be able to afford the housing costs and these should equate to no more than approximately 30% of your income. e.g. £16,000 x 30% = £4,800 / 12 (months) £400pcm - therefore the affordable rent would be in the region of £400pcm for a household income of 16k.

A month's rent and a month's rent worth of deposit will usually be required, this will be noted on the property advert.

Applicants who apply for the intermediate rental properties will also be required to complete a credit check and an affordability assessment by Adra.. This is to ensure that they are financially stable enough to maintain a tenancy at the specified rent level and that they are suitable tenants. We may also request that applicants for intermediate rental properties provide a landlord's reference if applicable.

2.4.2.4. **Accommodation** - the current home is unsuitable and does not meet your family's needs e.g.

- Due to family size - (evidence of overcrowding).
- Affordability - (current rent is unaffordable).

2.4.2.8. **Local Connection** - Applicants will have to have at least 12 months of local connection to the area they choose to live in to be on the register e.g., living, working or close family contact: - Parents, grandparents, siblings, adult children. Applicants can choose areas where they would like to live provided they have a local connection there as stated on the property advert.

If no applicant meets the above criteria, applicants from the neighbouring communities within the Local Authority area may be considered. Each property advert will specify the local connection required.

2.4.3. Additional Considerations

2.4.3.1. If the property has a Section 106 in place, the Local Connection and any other priority criteria relating to the planning conditions for the development, must be adhered to.

2.4.3.2 Additional criteria may be introduced for example, where a Local Lettings Policy is developed.

2.4.3.3 Eligible applicants who apply for properties will be prioritised by the date their application is approved by Tai Teg and their local connection as stated on the property advert. Family size in relation to the property is also considered. In some circumstances, priority may be

given to eligible applicants in social housing who need to move to more suitable accommodation.

2.4.3.4 Eligible applicants are shortlisted for property and nominated by Tai Teg to Adra in order of priority

2.4.3.5 Intermediate Rental properties are marketed through the Tai Teg Affordable Homes Team on the Tai Teg website. Adra also market and promote Intermediate Rental properties on our website and social media platforms. We may also use Estate Agency services to market our Intermediate Rental properties.

Applicants will be refused if granting a contract would lead to statutory overcrowding at the property.
